SCDA-#

1 Russel Ooms Statement of Qualifications

2 I am Chairman of the Board of the Locke Management Association, a quasi-governmental
3 unit of Sacramento County. We are charged with the management of the Town of Locke, including
4 preserving its historic buildings and sense of identity.

5 In my role at the Locke Management Association, I have become very familiar with the
6 Locke National Historic District, which is listed on the National Register of Historic Places. Locke
7 is the largest and most complete example of a rural, agricultural Chinese American community in
8 the United States.

9 I understand the unique sense of place and historical identity of our community and
10 understand the challenges of maintaining this very special and fragile place in a way that it is clear
11 that the California Department of Water Resources does not understand.

12 DWR needs help in understanding the impacts that its Project will have on this fragile and
13 unique place. I will do my best to bring my expertise to bear in these hearings in a way that will
14 educate DWR and aid the State Water Resources Control Board in making a reasoned decision on
15 the permit application for the WaterFix Project.
